Dear A and T., Dear A and T., a monument indeed,
Around thy base with grateful hearts
behold thy students kneel,
We bless the power that gave thee birth
to help us in our need,
We'll ever strive while here on earth all loyalty to yield.

Refrain

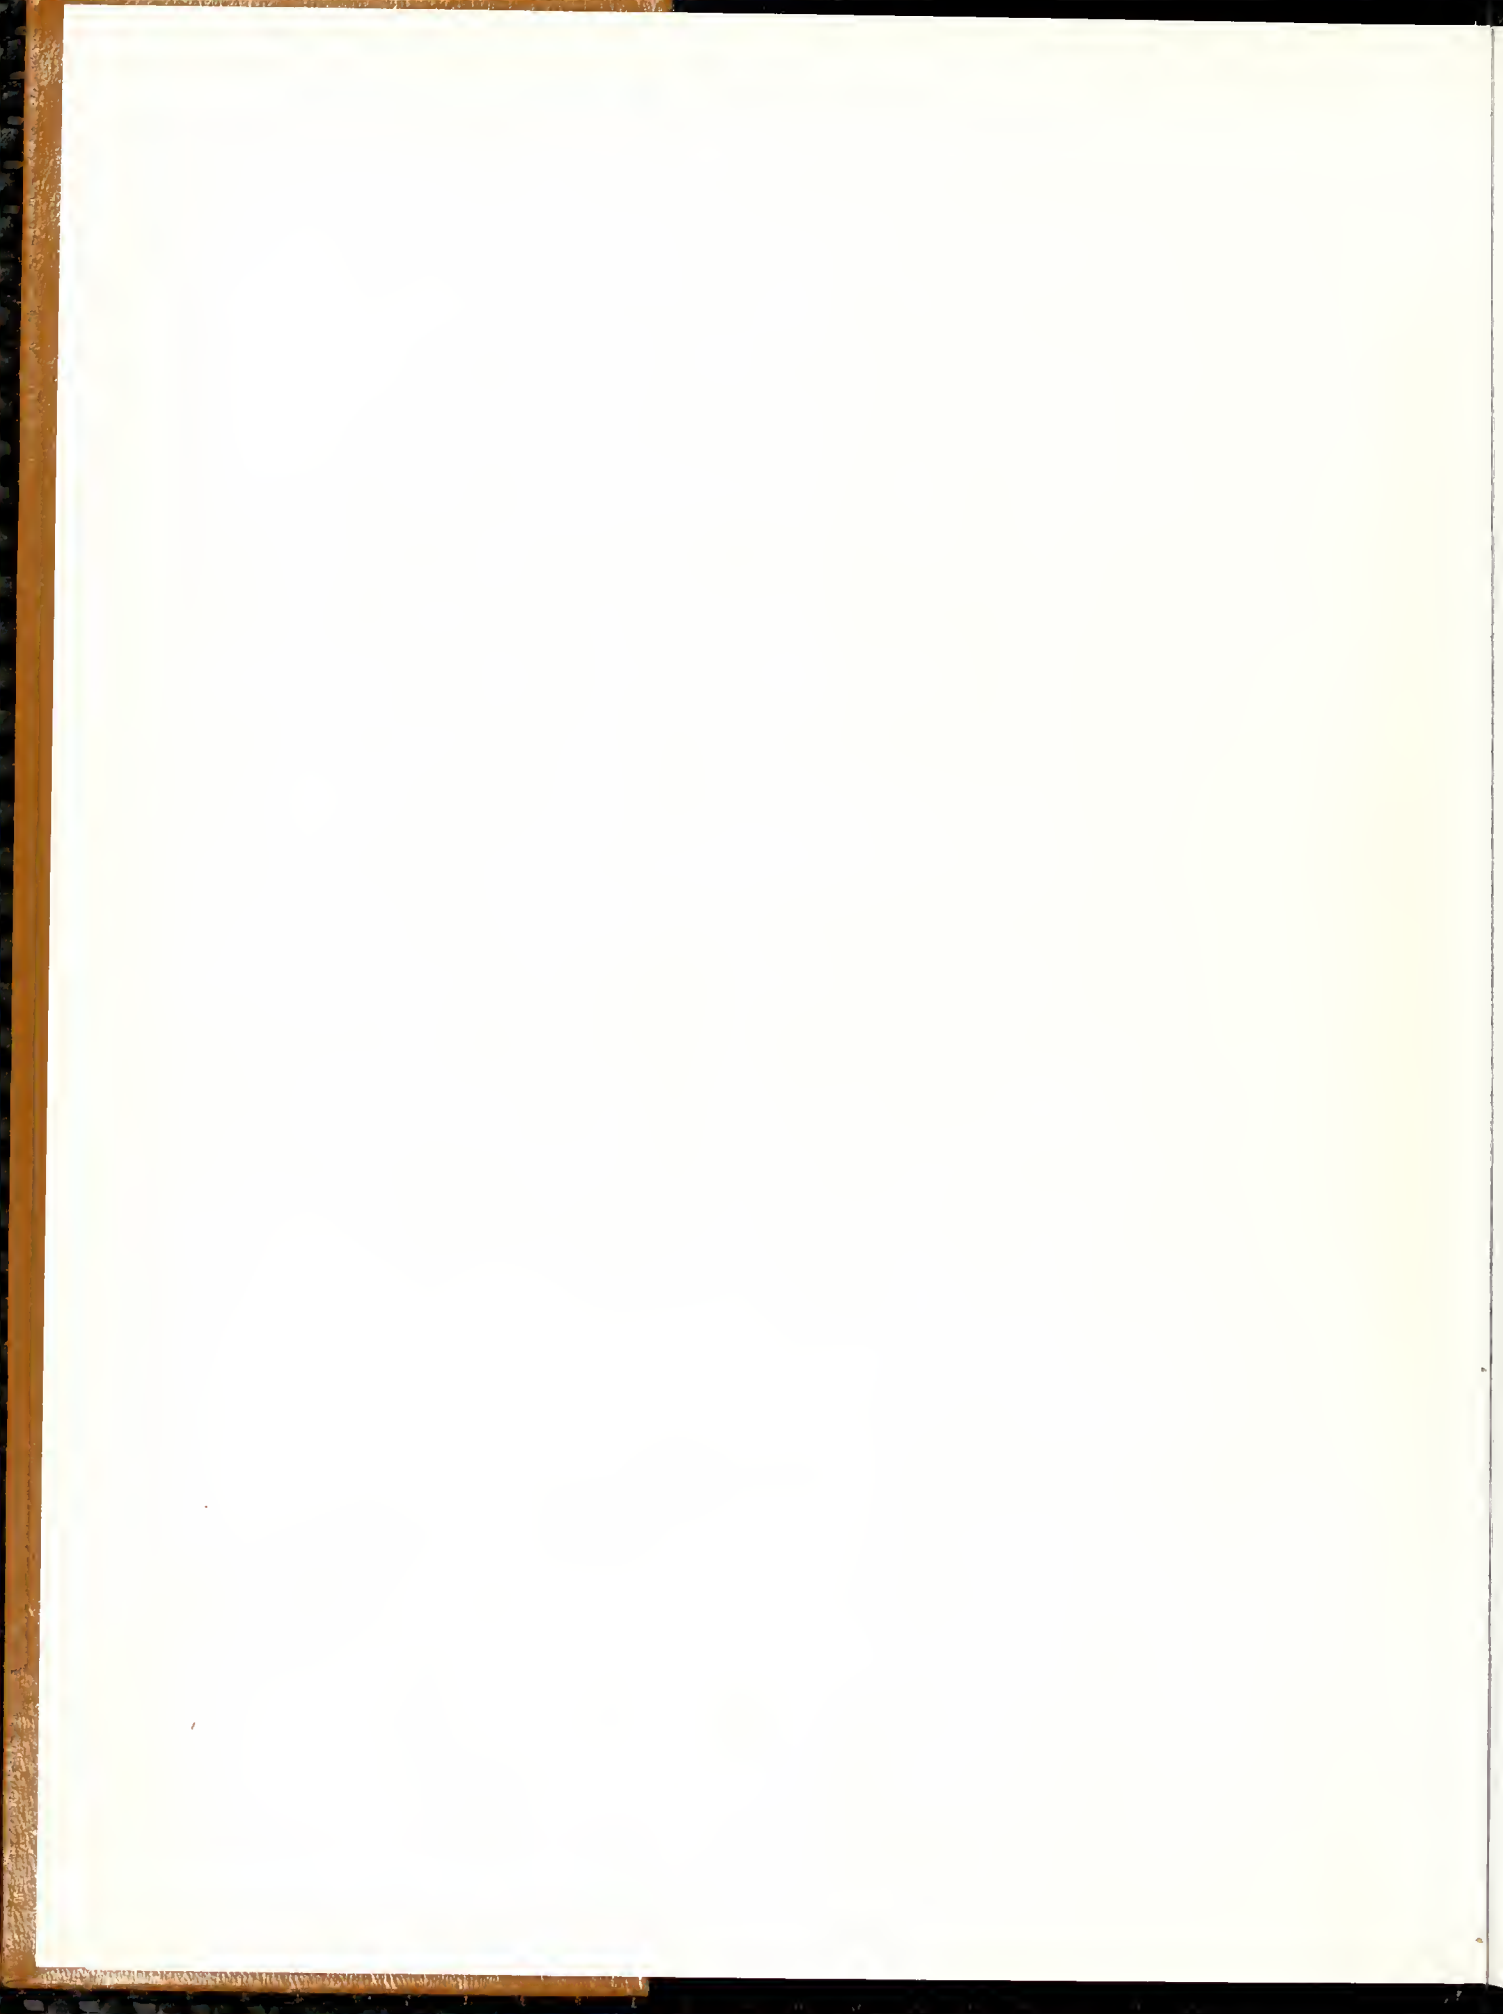

With joy, with joy, dear A. and T., thy students turn from thee
To spread thy trophies year by year from Dare to Cherokee.

II

Dear A. and T., dear A. and T., the signet thou shalt be
Set by our great old commonwealth,
proud boaster of the free;
She'd have the record of her worth
on granite not inscribed-
Nay, let the children of her birth proclaim it by their lives.

III

Dear A. and T., dear A. and T., henceforth our aim shall be,
By precepts wise and deeds more sure to bless
the State through thee;
The arts of industry to wield against an idle foe.
A harvest rich from ripened fields of what thy students sow.

Chancellor James C. Renick

"Our key to invigorating innovation is keeping our focus on our students. Ultimately, we want to nourish the spirit that marks North Carolina A&T as the university that enriches the lives of its students and adds value to the quality of life in North Carolina and the nation."

--Chancellor Renick

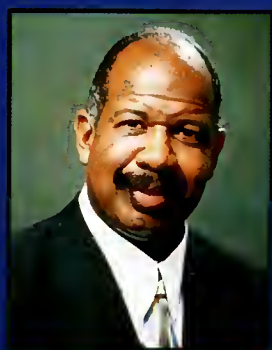

James Carmichael Renick, Ph.D., is the ninth chancellor of North Carolina Agricultural and Technical State University. Prior to his appointment in July of 1999, he served as chancellor and professor of public administration and education at the University of Michigan-Dearborn for six years. On numerous occasions, Renick has said that being named chancellor of North Carolina A&T has fulfilled his lifelong dream to lead a historically black university.

Greetings Fellow Aggies,

This year our University has undergone several changes thus bringing forth Evolution; inspiring this year's theme "Evolution of an Aggie." We have seen a facelift, equaling historic proportion. Eduring endless hours and a great deal of sweat this edition of the Ayantee Yearbook was created, with Aggie love, by yours truly. I hope that you will also feel that I have captured the true essence of an Aggie's Evolution.

Aggie Pride,

Ayantee Dedication

Greatness can be measured; commitment can be quantified. Dedication is tangible, and concern can be felt. The 2001 Ayantee is humbly dedicated to Mrs. Marva L. Watlington, Director of Student Activities and Ayantee Advisor since 1994. Under Mrs. Watlington's skilled guidance, the Ayantee staff has aptly documented the progression of our beloved institution. Producing a publication that the entire university community proudly accepts is an awesome challenge. Without question, Mrs. Watlington has far exceeded her challenge!

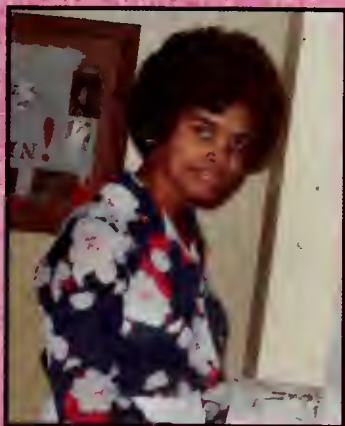

A 1965 alumna of North Carolina A&T, Mrs. Watlington possesses immense love for the university. Her extraordinary love for the institution and its students translates into an uncommon work ethic. Tirelessly, Mrs. Watlington has successfully executed her duties always giving special consideration to the concerns of students. Students, faculty, staff, and recent alumni can testify to Mrs. Watlington's commitment, dedication, and concern.

Greatness can be measured. North Carolina A&T is undoubtedly closer to the mark of excellence because of the contributions of Mrs. Marva L. Watlington.

On January 19, 2000, A&T had the honor of hearing one of America's 50 most promising leaders speak in Harrison Auditorium. Smiley lead a very motivational, as well as inspirational message. He encouraged students to stop getting together once a year to remember the dream, not doing anything for another year, and instead going out becoming great leaders ourselves.

First Female to Graduate from A&T with Ph.D

Yaxi Shen, Ph.D

When Yaxi Shen came to A&T she had no idea she would be the first female to get a doctorate. Coming from China the Electrical Engineering major did not even know how to speak English. She admitted at first she had a hard time understanding her professors, and they had a hard time understanding her as well. Although she had to make an adjustment, she was most impressed with the A&T professors as well as her colleagues. Yaxi, along with her husband Da are now working at General Electric Medical Systems in Milwaukee, and they have an 8-month-old daughter, Laurel, whom they both agree takes up a great deal of their time.

Aggie Suites

From the ground breaking, students watched the construction of the most recent student housing, Aggie Suites. Over the last two years, there has been a housing shortage, and to eliminate some of that students now have the choice of apartment living on campus. This is ideal for students who are ready for apartment responsibilities, but do not have transportation to and from school.

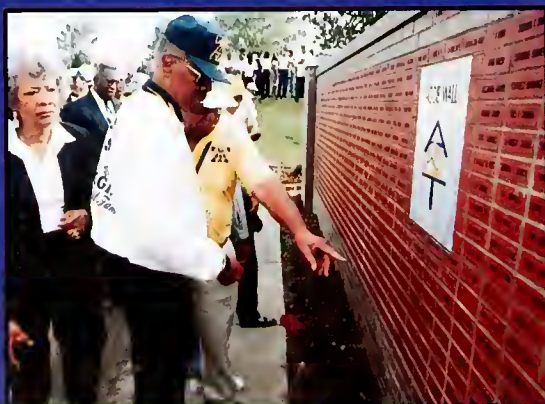

Rain or Shine....

A little rain has never hurt anyone, was the attitude students came with. This year the annual Walk to Cure Diabetes was planned, but mother nature had another plan. As usual, when Aggies put their minds to do something, Aggies don't leave until it gets done. Students showed up with rain gear, to show their support for Diabetics.

Light After Darkness

Light after darkness,
Gain after loss,
Strength after weakness,
Crown after cross,
Sweet after bitter,

Peace after pain,
Joy after sorrow,
Calm after blast,
Rest after weakness,
Sweet rest at last.

He Only Takes The Best

God saw she was getting tired
and a cure was not to be
So He put his arms around her
and whispered, "Come with me"
With tear-filled eyes, we watched
her suffer and fade away
Although we loved her deeply
we could not make her stay.
A golden heart stopped beating.
Hard-working hands put to rest.
God broke our hearts to prove to us
He only takes the best.

Alma Mater

Dear A and T., Dear A and T., a monument indeed,
Around thy base with grateful hearts
 behold thy students kneel,
We bless the power that gave thee birth
 to help us in our need,
We'll ever strive while here on earth all loyalty to yield.

Refrain

With joy, with joy, dear A. and T., thy students turn from thee
To spread thy trophies year by year from Dare to Cherokee.

II

Dear A. and T., dear A. and T., the signet thou shalt be
Set by our great old commonwealth,
 proud boaster of the free;
She'd have the record of her worth
 on granite not inscribed-
Nay, let the children of her birth proclaim it by their lives.

III

Dear A. and T., dear A. and T., henceforth our aim shall be,
By precepts wise and deeds more sure to bless
 the State through thee;
The arts of industry to wield against an idle foe.
A harvest rich from ripened fields of what thy students sow.
